

# FAST ROSEBUDS OF BRIDGEPORT OPPOSE KACEYS HERE IN HOLIDAY GAME

The holiday attraction at the Fairgrounds today will be the fast Rosebuds of Bridgeport, who come here with a string of victories over all the fast teams in the western part of the state, to take the measure of the local Knights of Columbus team. The Rosebuds are reported as a fast traveling bunch who have met and conquered such teams as the Lockwood team of Norwalk, Yale and Towns of Stamford, Pioneers of New Britain, Brewsters of New York and others.

The game today is on a straight guarantee basis and the fans are assured of a fast game and not a one-sided slugfest match such as occurred on Sunday when the Hartford All Stars appeared here. The local team is going along at a fast clip with practically every one on the team hitting in the neighborhood of .300 and last Sunday's game fattened the average of many of the local players. It will take an exceptionally fast team to hand out a beating to the local aggregation. The Rosebuds who have been following the local team closely are of the opinion that they have a chance of accomplishing the feat of administering a trouncing to the Kaceys. Today's game will tell the story.

In the Rosebud's lineup will be found Pura one of the fastest backstops in semi-pro ball in the state today. Pura was formerly with the Singers of Bridgeport and also with the New Haven Eastern League team. Tiernan, who broad will be pitching. The former was pitching ace for Harry Koyes' White City team last season and the latter is one of the star hurlers of the Bridgeport Industrial League. Baily, former U. S. Navy star will be in first base; Brewster who got try-out with the Bridgeport Eastern League team will cover the keyhole sack; Falke, former Blue Ridge League star will be at short and Reilly, an old timer will be at third. In the outfield will be Ottman, former General Electric player, O'Leachy, formerly with the Singers and the American chain, and Bump, also of the General Electric team.

The local lineup will be the same as last Sunday and if the Rosebud pitchers have nothing more than Burkhardt and last Sunday the local players will again fatten their averages.

As an added attraction Tubbs' Military band will give a concert before the game and an all star game will also play during the game.

## FLUTILLA TERN TABLES

### ON NEWPORT WINNING-5-3

The Flutilla evened up the score with the Torpedo Station of Newport, when they defeated the latter on the Base field Saturday, 5-3. The game was scheduled for Saturday, but was postponed on account of rain, and the Newport team was held over for the second Sunday game of the season.

All the scoring was done in the first three innings and from then on it was a great pitchers' battle between Davis and Harrington.

The catchers of both teams were the real busy men during the game. Between the two they accepted 22 putouts and 5 assists, a total of 27 chances without a mishap, and made 5 hits. Lockwood broke all records when he had 13 putouts and 3 assists, he also hit safely three times in four trips to the plate.

An odd feature of the game was that Davis, the short fielder of the Flutilla, played the entire game without a leather's chance.

There were five double plays made, three of them for Newport and Morgan, both, their backstop, was on the receiving end of each. These helped greatly in holding down the Base score, for on each occasion a runner was cut down at the plate.

The Flutilla drew first blood by getting to Harrington in the opening inning for a brace of runs. Lopez hit the first ball pitched to left field for two bases and Morgan fanned, but the runners pulled off a double steal. Both scored on Lockwood's hit to right and Micky raced all the way to third on the throw in and Nolan's muff of the catcher's throw to second. Morgan fanned and Lockwood was caught by the second round. McGrath beat out a slow roller toward third which failed to roll foul, although Ditty Moore stood leading with the pill. Nolan beat out a punt to Lopez when the latter's throw to second was late. Both moved up on Morgan's sacrifice to Lopez. McGrath counted when Albertson dropped Mackin's fly in the sun, and Nolan followed him across on Morgan's single to left. Harrington hit to Leschik who touched second and threw to Lopez for a double play.

The final scoring of the game occurred in the third when Lopez opened for the Flutilla with a hit over second which Leschik beat nicely but was too late for a play at first. Moore beat out a punt to Nevins, Albertson fanned for the second time and Lockwood forced Lopez to a grounder to short. Nolan to Hart.
